

Mixed Wisdom

Our scientific power has outrun our spiritual power. We have guided missiles and misguided men.

(Martin Luther King Jr. (1929 - 1968), Strength to Love, 1963)

It takes nothing
to join the
crowd.
It takes
everything to
stand alone.

- Hans F Hansen

**There are more important things to life than continuously increasing its speed.
(Mahatma Gandhi)**

**In science one tries to tell people, in such a way as to be understood by everyone, something that no one ever knew before. But in poetry, it's the exact opposite.
*Paul Dirac (1902 - 1984)***

Science is organized knowledge. Wisdom is organized life.
(Immanuel Kant)

Vaclav Havel – Hope

Hope is not the conviction that something will turn out well but the certainty that something makes sense, regardless of how it turns out.
